Conveys the information well and is interactive
Helps me learn code and also good studying for the class
This course really helped me in understanding. statistics as the coding aspect enhanced the material taught in class.
Effective way of learning how to use STATA.
I learned the basics of using stata and was able to see how it related to statistics.
Very organized, clear objectives
She was very clear and helpful in the understanding of STATA.
It helps you learn the stata code, which is helpful if you continue with economics.

What would have improved your learning in the course?

Comments
nothing
Maybe make more flexible deadlines if big tests are on same day
I am not too sure.
Maybe more examples of how STATA is used in the real world.
I don't think there is anything that would have improved my learning in the course.
nothing
She gave all the help we needed to work the program.
Maybe if there was some more help regarding the final research paper. A little more class time to write it.
